FINANCIAL MANAGEMENT AND ACCOUNTABILITY POLICY

The Longhorn Foundation Trust (LFT) is committed to maintaining the highest standards of financial integrity, transparency, and accountability in the management of its resources. In advancing its mission to improve foundational literacy and numeracy for underserved children, the Foundation recognizes that responsible financial stewardship is essential to building trust with donors, partners, beneficiaries, and stakeholders.

Policy Objectives

LFT seeks to establish and maintain strong financial management systems that promote transparency, accountability, and responsible use of resources. The organization is committed to ensuring that all funds are properly planned, allocated, monitored, and reported in accordance with approved budgets, statutory requirements, and donor agreements. Through effective financial oversight, the Foundation aims to safeguard assets, minimize financial risk, and ensure that resources are utilized efficiently to support program objectives.

Policy Principles

1. Robust Financial Management System.

LFT will maintain well-structured financial management systems that support accurate budgeting, accounting, financial tracking, and reporting. These systems will enable timely monitoring of financial performance and ensure that resources are aligned with organizational priorities and program goals.

2. Strong Internal Controls

The Foundation will implement strong internal control mechanisms to safeguard financial resources and prevent misuse, fraud, or mismanagement. These controls include clear approval processes, segregation of duties, proper documentation, and regular financial reviews to ensure compliance with organizational policies and procedures.

3. Transparent Financial Reporting

LFT is committed to transparent and accurate financial reporting to donors, regulatory authorities, and other stakeholders. Regular financial reports will be prepared and shared to demonstrate how resources are utilized, ensuring openness, accountability, and trust in the organization's financial management practices.

4. Compliance with Statutory and Donor Requirements

All financial activities will comply with relevant statutory regulations, financial standards, and donor agreements. The Foundation will ensure that funds are used strictly for their intended purposes and that all reporting and audit obligations are met in accordance with applicable legal and funding requirements.
